CAMPAIGN IN A BOX

DEVELOPED BY

limerent

PURPOSE

At Limerent, we are passionate about educating, motivating, and driving change in teens' lives regarding alcohol and other drugs (AOD). We believe that AOD use remains one of the most critical threats to teens' development and success.

TOGETHER WE CAN!

THE POSSIBILITY PROJECT FOCUSES ON:

- Increasing teens' perception of harm of AOD
- Informing students how AOD affects performance negatively in academics, athletics, and other areas of their lives
- Making students aware of the ways AOD impacts mental health concerns such as depression and anxiety

A STRONG FOUNDATION

The Possibility Project is built
on these four pillars:

- 1. PREVENTION SCIENCE AND THE LIMERENT CHANGE MODEL**
that's based on the latest research
- 2. MARKETING EXPERTISE**
*that gets the right messages to
the right people*
- 3. BRANDING/DESIGN EXPERTISE**
that's time-tested and results-driven
- 4. A YOUTH ENGAGEMENT APPROACH**
that's relevant and empowering

WHAT IS THE LIMERENT CHANGE MODEL?

The Limerent Change Model is designed to drive real behavior change. While many social marketing campaigns simply focus on awareness and knowledge, we understand that true change requires a more robust process. Our campaign messaging motivates youth to (ultimately!) adopt healthy attitudes and behaviors- and influence others to do the same.

THE LIMERENT CHANGE MODEL

WHAT IS THE POSSIBILITY PROJECT?

The Possibility Project- one of Limerent's ready-to-go Campaign in a Box- is an innovative social marketing initiative that targets 6th to 12th graders. This turnkey campaign allows organizations like yours to access high-impact marketing strategies, pre-designed activities, and digital and print assets at a fraction of the cost of traditional campaigns.

We provide you everything you will need to operate your own campaign and engage teens in your community.

ANNUAL CAMPAIGN PLAN AND CALENDAR

A decorative graphic consisting of a cluster of yellow dots of varying sizes, arranged in a roughly circular pattern.

When you launch the Possibility Project campaign, you will receive a campaign plan with a campaign calendar, which includes a year's worth of bi-monthly themes and the optimal dates to send text messages, post to social media, and host events. The campaign plan highlights best practices for implementing and maintaining a campaign, recruiting and engaging youth, and hosting successful events.

PLANNING

When you launch your Possibility Project campaign, you will receive a campaign plan with a campaign calendar. As you implement your campaign, you will be sent monthly messages in the form of social media posts, text messages, and printed materials that coincide with your campaign so it is simple to execute.

TRAINING MATERIALS AND SUPPORT

The first step in your journey launching your Possibility Project campaign will be training on the project and all the pieces. In addition to your initial training, you will be provided training materials you can refer to throughout the campaign and an opportunity to schedule a monthly call with your success coach. You will be implementing your campaign but you will have support every step of the way.

TRAINING AND COACHING

One of the keys to running a successful campaign is the 90-minute training session we offer as you begin your campaign. You'll also receive a training guide- included in your annual Possibility Project Campaign Plan- that you can use throughout the year.

Another key factor to creating real change in your community is working with your Limerent Success Coach. Each month, you can schedule a call with your coach who can answer your questions, troubleshoot, and offer technical support.

MEASURING

The Possibility Project is designed to create change. The only way we can know we are creating change is by measuring our campaign activities. Each quarter, you will have data on your messaging activities you can share in your grant reports. There will also be a deeper evaluation plan that you will have the ability to execute to measure exact change in your community.
